February 2019

Bayanihan Equity Center kicked off the year with a 20th anniversary celebration and launch party on Thursday, January 24th, at Cambria Gallery in SoMA. Community partners, long-time supporters, friends, and family of BEC attended the event, with a performance of "Hero," from Katrina Liwanag, and words of congratulations from our San Francisco Supervisor Safai, Supervisor Haney, Miguel Guerrero from the office of Congresswoman Nancy Pelosi, and from the Philippine Consulate. On Tuesday, January 29th, the Bayanihan Equity Center received a commendation from the Board of Supervisors, presented by Supervisor Haney, for 20 years of service and commitment to the South of Market community. Thank you to our BEC Board of Directors, partners, volunteers, and donors for all your support!
