Messages From FEC Galing Bata Families

A few messages from the families to
BEC and the staff...

Thank you to all the BEC staff who continue to support families like mine. Serving the public is truly a selfless act. We see you, appreciate you and are greatly indebted to you. Wishing you all are supported just as well as you support us or even better. Thank you! Salamat sa inyong lahat.

We're so blessed and thankful for all of your efforts. We are so appreciative. Without you guys, we have no groceries to pick up. We know everyone's taking a risk by going there and you exposed yourselves considering a lot of people hang out there. So from the bottom of our hearts, maraming maraming salamat po at nawa'y lagi kayong gabayan/patnubayan ng Diyos.

I am truly grateful to all the staff who are very considerate and patient to all families who are in need. The groceries we received has filled our pantry, and it has helped us save money because instead of going to the grocery store, we already have the food supply.

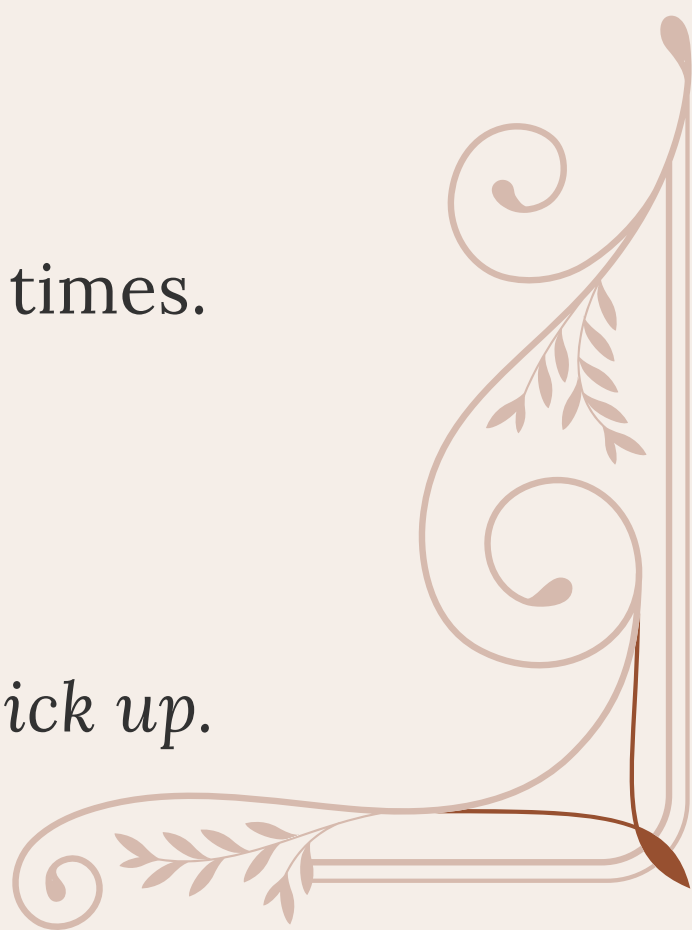

We appreciate everyone for their effort, time and self in giving service to families, especially the Filipino community, like us. You are really our great heroes. God bless you all and stay safe&healthy 💕💕

Thank you so much to all BEC staff for everything. We appreciate you guys! God bless you all always and stay safe!

Thank you for giving time in providing grocery bags for all of us. For giving us updates and reminders so we don't forget about picking up our bags. We appreciate you all!

I really appreciate that the BEC SGP continues to serve the parents in these hard times.

Maraming salamat po sa tulong na ito at lalo na sa mga staff na mapasenysa at matulungin sa aming request kung malalate sa pick up.

I am grateful for these groceries and for all the people behind this project. I am so thankful for the Filipino community who reached out for us.

Thank you for the help and generosity.

Appreciate this program!

Thank you very much for the hard work!

Nagpapasalamat po ako sa lahat ng staff sa malaking tulong at gabay sa pamilya namin. Pagpalain kayo at pagtibayin kayo sa inyong mga hangaring tumulong.

Thank you for all the help.
